Testing Information:

Kids take the test listed under the class level they are currently in--not the level that they are (hopefully) progressing to

Testing Eligibility

1. A minimum of 3 months and 24 classes of training.
2. 2-3 weeks prior to the test date speak with the KMW Kids instructor to let them know that your little one is interested in testing. This will give the instructor time to evaluate their performance over several classes. If the instructor thinks they are ready they will sign off on the sheet.
3. Student must have an instructor sign the permission to test form.
The Permission to Test Form can be picked up at the front desk of the training centers.

***Please note that Permission to Test Forms and fee payment are due on the Thursday before belt testing weekend.**
